DAFFODIL INTERNATIONAL UNIVERSITY
Department of CSE (Ongoing, CGPA - 3.51)
2021 - 2025

LANGUAGES

- Bangla - Native Proficiency
- English - Professional Working Proficiency

CAREER OBJECTIVE

Highly motivated Junior Front-End Developer with a strong foundation in HTML, CSS and JavaScript. I am eager to contribute creativity and technical skills to dynamic projects, aiming to enhance user experiences through responsive and visually appealing web interfaces.

PROJECTS

MEDIHUB MEDICIEN STORE

- Developed a MERN stack-based medicine store platform using React.js, Express.js, MongoDB, React Hook Form and React Query.
- Implemented dynamic dashboards for three different roles – **Customer**, **Seller** and **Admin**. Each role includes different functionalities and access control. **seller@gmail.com**, **admin@gmail.com**. **Password-> @Habib123@**
- Utilized JWT & Firebase Authentication to ensure secure login and role-based route protection.
- Integrated secure online payment system using Stripe.
